

NEW PLAY EQUIPMENT ON REEVE ROAD

Stansted Mountfitchet Parish Council recently sent out a letter to residents on Reeve Road regarding the re-installment of the old play equipment. The letter provided a plan for the unused play area space, with the wording "to be decided on". Please see the back of this letter to view the plan. In that space we will install a new piece of play equipment which complies with the height restrictions of the original approved plan.

The Council believes that the residents and potential users of the playground should be able to voice their opinion on the type of new play equipment being installed. We have sourced four different options which are all suitable for the available space. Follow the instructions below to let us know your preferences:

- Read and rank the following options
- Send your response via email or by letter
- If you have any other comments, please include them as well
- **Please respond by 04.06.2021**

Option 1: TRAMPOLINE

A 1x1 meter trampoline inserted into the ground. Required safety matting installed. The trampoline can only be used by one child at a time and the Council will provide signage with safety guidelines. Suitable for ages 6+. The final design may vary.

Option 2: PLAY CAR

A wood panelled car in fun colours. The car is great for imaginative play and seats around 4 children at a time. Suitable for ages 2-5. The final design may vary.

Option 3: SEE SAW

A large spring rocker that seats up to 8 children at a time. Required safety matting will be installed. Suitable for ages 3-12. The final design may vary.

Option 4: ROUNDABOUT

Classic roundabout that seats multiple children. Required safety matting will be installed. Suitable for ages 2-14. The final design may vary.

Stansted Mountfitchet Parish Council recently became responsible for the green spaces at Foresthall Park including maintenance and improvement of the playgrounds.

The re-installment of the Reeve Road playgrounds is part of a wider plan to provide increased play equipment and socialising opportunities for the residents of Foresthall Park.

The Council believes that improving the local play areas will be beneficial for the community, making the outdoor space more enjoyable and inclusive for both children and parents alike.
