This evening, 7th July our [#uttlesford](#) volunteer police cadets have been out in [#saffronwalden](#) raising awareness about an upcoming event in the local area.

They have delivered leaflets about a cyber awareness event on the 6th August in the Saffron Walden Town Hall between 10am and 1130am.

This event is an opportunity to hear about the latest scams and how to protect yourself from becoming a victim of crime. There will be demonstrations on how to stay safe in public and online. Refreshments and crime prevention handouts are provided.
